

MANUAL CLAMPS

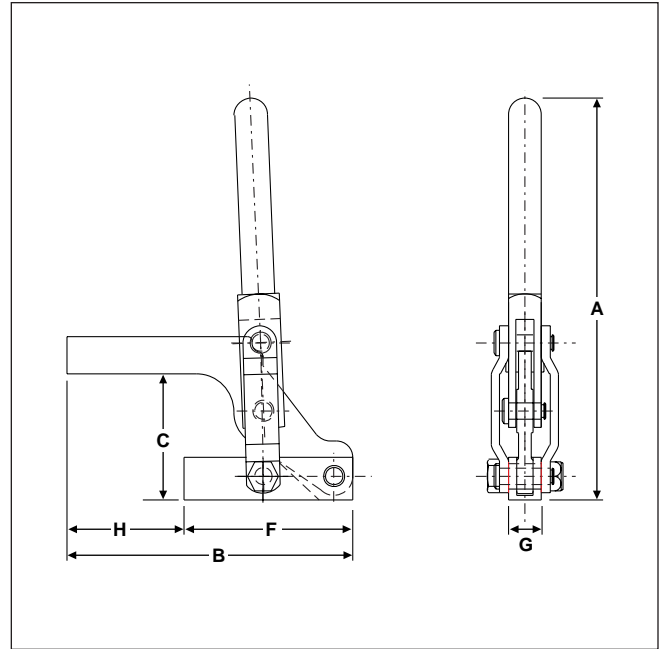

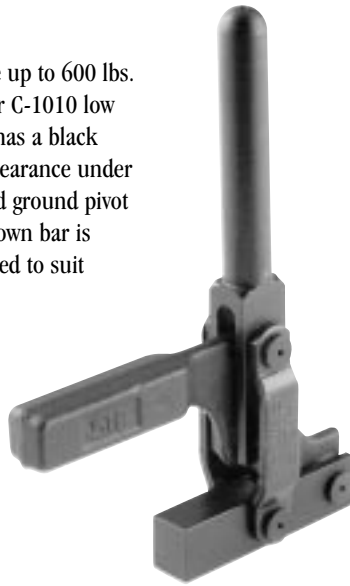

Heavy-Duty Hold-Down and Straight-Line Action

MODEL 517

Model 517, which can provide up to 600 lbs. force, is made from C-1008 or C-1010 low carbon, cold-rolled steel and has a black oxide finish. Features extra clearance under hold-down bar. Hardened and ground pivot pins can be replaced. Hold-down bar is forged and can be cut or welded to suit fixturing or tooling needs.
